120 15th Street E,

University Downs #413

Tuscaloosa, AL 35401

I am a Freshman at the University of Alabama majoring in Environmental Engineering with a minor in French with the goal of designing sustainable solutions. My principal focus is to combine humanitarian work with a STEM based degree to develop high functioning sustainable solutions domestically and internationally.

EXPERIENCE

YMCA Volleyball Coach

Shades Valley YMCA Oct 2018-May 2019

- Worked with young girls from 4th to 6th-grade helping them to develop teamwork, leadership, and confidence in themselves
