EXPERIENCE

Publix, Harvest, Al - Customer Service

May 2021- August 2021

During my time at publix I had helped in customer services by managing products, helping my fellow staff in miscellaneous tasks, and also helping customers with their shopping

Dunkin' Donuts,Harvest, Al — Storefront Manager

April 2020- September 2020

In my short time at Dunkin' Donuts I had the majority of my initial coworkers quit and with no training I was promoted to manager and was assigned the front of the store. This included managing employees and all food, drinks, and store merchandise as well as the drive through windows.

EDUCATION

Past: Sparkman High School, Harvest Alabama

2018-2022

During my years at Sparkman Highschool Covid-19 was at its peak and while being in and out of school I was playing football, wrestling, track, and had been captain of our schools esports team. Throughout school, not only did I play sports and participate in extra activities, I graduated with honors and a 3.5 GPA.

Current: University of Alabama, Tuscaloosa- Aerospace Engineering

July 2022- Present

I am currently enrolled at The University of Alabama and I am pursuing a degree in Aerospace Engineering to further delve into my interests in the STEM fields.

SKILLS

I am very outgoing and aggressive when pursuing my goals, my peers would describe me as very good with people skills, and I believe my want for knowledge is my greatest skill and trait.

AWARDS

LSAMP - NSF Grant
